

**Twin Spring Farm Ltd.,
COVID-19 Pandemic Health Assessment,
Liability Waiver AND Release**

I understand that Twin Spring Farm Ltd., is opening its doors to not only the children of essential personnel, but also the children of those operating “outside the essential workforce” in order to assist the community in coping with this crisis, despite the risk that opening may continue to spread the COVID-19 virus. I fully realize, accept, acknowledge and understand the hazards of COVID-19 and of having my child attend Twin Spring Farm Ltd., and voluntarily assume all of the risks associated with such attendance, whether such risks are known or unknown.

I agree that I will do a health assessment of my child(ren) each day before their attendance, by verifying that there are no symptoms of COVID, (see below) no recent exposure to COVID, no recent travel to restricted countries or states, and that their temperature does not exceed 99.5 degrees unmedicated. It is understood and admitted that by sending my child(ren) to attend a Twin Spring Farm Ltd., program that I have completed this health assessment and found my child(ren) to be free of illnesses or fever.

Twin Spring Farm Ltd., reserves the right to do health assessments on campus at random and will isolate any child that exhibits COVID symptoms or fever until they can be picked up by a parent or guardian.
